

DECLARATION FOR PATENT APPLICATION

As the inventors named below, we declare that:

We believe we are the joint original and first inventors of the subject matter which is claimed and for which a patent is sought in our U.S. Patent Application, entitled **"Downhole Hammer Drill"**, which is the national stage of PCT/AU2004/000998, filed July 26, 2004;

We have reviewed and understand the contents of the above-identified specification, including the claims thereof, as amended by any amendment specifically referred to above;

We acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in 37 CFR 1.56, including material information which became available between the filing date of the prior application and the National or PCT International filing date of the continuation-in-part application, if applicable; and

If statements made herein of our own knowledge are true, all statements made on information and belief are believed to be true, and these statements are made with the knowledge that the making of willful false statements or the like is punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patents issued thereon.

POWER OF ATTORNEY: We hereby appoint all practitioners associated with **Customer Number 26936** (Shoemaker and Mattare) as our attorneys to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

DECLARATION FOR PATENT APPLICATION

As the inventors of the invention, we declare that:

We believe we are the sole original and first inventors of the subject matter which is claimed and for which a patent is sought in our U.S. Patent Application, entitled "**Downhole Hammer Drill**" which is the national stage of PCT/AU2004/000998, filed July 26, 2004.

We have reviewed and understand the contents of the above-identified specification, including the claims therein as amended by any amendment specifically referred to above;

We acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to us to be material to patentability as defined in 37 CFR 1.56, including material information not previously available between the filing date of the prior application and the National or PCT International filing date of the continuation-in-part application, if applicable; and

If statements made herein on our own knowledge are true, all statements made on information and belief are believed to be true, and these statements are made with the knowledge that the making of willful false statements or the like is punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and may jeopardize the validity of the application or any patents issued thereon.

POWER OF ATTORNEY - We hereby appoint all practitioners associated with Customer Number 26936 (Shoemaker and Munnery) as our attorneys to prosecute this application and to transact all business with the United States Patent and Trademark Office connected therewith.
